

Esmatullah Mohammadi

Summary

Hi I am Esmatullah Mohammadi and I am a Web Developer with expertise in MERN(react js, node js, express js and mongoDB). Proficient in utilizing Bootstrap, Chakra UI, and Tailwind CSS to create responsive and visually appealing web applications. Skilled in developing the front end using the React library and integrating it with Node js for robust back-end solutions. Seeking opportunities to contribute technical skills and creativity to a dynamic development team.

Experience

Web Developer

Job Internship in MCIT(Ministry of Communication & IT), Kabul, Afghanistan, 2023

- Collaborated with cross-functional teams to develop and maintain web applications using React.
- Implemented responsive design principles and ensured optimal performance of applications.
- Utilized Bootstrap, Chakra UI, and Tailwind CSS for front-end development.
- Integrated React with Node js for a seamless end-to-end development experience.

Job Internship in WinSoft Technology, Kabul, Afghanistan, 2024

- Developed, customized, and maintained Shopify themes using Liquid, HTML, CSS, and JavaScript.
- Worked closely with the design team to implement responsive and visually appealing UI/UX for e-commerce stores.
- Collaborated in agile teams to deliver projects on time and according to client specifications.
